

# GLOBAL LOGISTICS & ECOMMERCE SOLUTIONS

## We're Here to Help You Grow

VIEWDIA helped a window-covering retailer stay relevant and profitable by enhancing their supply chain, overhauling its online presence, and revamping the distributor network.

## Partners

## Small, Medium, Enterprise

No matter how small or large your eCommerce site is, VIEWDIA is here to help you grow and scale your business.

## What VIEWDIA Can Do for You

### RFP Management

Complete management of RFPs for finding the right eCommerce service providers.

### Order Fulfillment & Logistics Solutions

Supplier search, negotiation, management or your logistics and order fulfillment providers.

### Parcel Auditing & Negotiation

A large part of eCommerce is shipping, we help manage your rates and audit your carriers.

### Market Research & Go-to-Market Strategies

Define, outline, assess new markets, and create powerful strategies to optimize success.

### Marketplace Configuration & Strategy

Setting up & configuring Amazon, Walmart, eBay and other marketplaces.

### eCommerce Platform Configuration

Setting up and configuring Shopify, Magento, WooCommerce, and other eCommerce platforms.
